Before we begin it is important to emphasize that gaining scriptural knowledge in itself, though important, is not enough to change our character. Putting biblical knowledge into practice is the key, that teaches truth and is the power of God changes hearts and lives. (John 8:31-32).

What did you learn in your last session and were able to put into practice?

With what did you struggle to put into practice?

What can you keep on doing or change to grow?
Pray together about your transformation.

Are you getting out of this training project what you want? Why? Why not?

Memory verse

Don't try and learn all the memory verses all at once but only select two or three verses each week. Go at a pace that won't add too much pressure to yourself and others. You will find new meaning in the scriptures you memorize.

1Ti 2:5 For there is one God and one mediator between God and men, the man Christ Jesus, 6 who gave himself as a ransom for all men—the testimony given in its proper time.

Rev 21:8 But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars—their place will be in the fiery lake of burning sulfur. This is the second death."

2Ti 4:3 For the time will come when people will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear.
