How to get the most out of this booklet

Before we begin it is important to emphasize that gaining scriptural knowledge in itself, though important, is not enough to change character. Putting biblical knowledge into practice is the key, that teaches truth and the power of God, which in turn changes hearts and lives. (John 8:31-32). The study is structured in a way that you will write out the scriptures yourselves for the purposes of deeper reflection.

Here are some key points on how to get the most out of the booklet:

- This was developed for an intimate study approach. Find a mentor that has already completed this series to facilitate your journey. You will get much more out of the series that way.
- Read the scriptures before answering the questions (really important)! . In this way you will learn to know the word of God.
- Always find the answer from the Bible. Although you might think you know the answer, first find the answer in the Bible.
- Complete all the answers on the booklet.
- Be very honest with yourself, even if it hurts.
- Always have a memory verse you are working on.
- It is a good idea to share what you are learning with a friend.
